

ANNUAL REPORT FOR THE ACADEMIC YEAR 2020-21

The academic year 2020-21 started with the reopening of school on 6th May 2020 for Std X and XII and 3rd June 2020 for all other classes. Due to the crisis created by the pandemic, classes were conducted online for LKG, UKG and Std I to XII. Assessment tests including Mid Term Exam, Term Exam and Final Exam for classes I to XI and Model Exam for Std X and XII were conducted online. The final Model Exam for classes X and XII was conducted in the school by following all the protocols of Covid 19.

Though classes were conducted online throughout the year, Extra- curricular and Co – curricular activities were given due importance. The school encouraged the students to use time efficiently, thus giving importance to protection of environment. Students were encouraged to take up activities like gardening, planting saplings and creating their own kitchen gardens. Poster competition on the topic ‘Save Water’ was conducted for students of classes I to X. Many of our students were engaged in activities related to SEED, an initiative taken by ‘Mathrubhumi’ Malayalam Daily. As part of Environment Day celebrations, the students planted saplings in their compound. Classes were conducted online on the importance of using bicycle as a means of transport so as to reduce fuel consumption and also for keeping the students fit and healthy. Ten of our students set up Bio Gas Plant at home and learned how to convert bio degradable waste into fuel and organic manure. Our students were also engaged in creating water pits at home to save rain water. The school won Haritha Keralam Vidyalaya Award [third prize] for the outstanding contribution for cause of environment protection and dedication in the SEED Project in the year 2020-21.

Sports, games and yoga practices were conducted online throughout the year. This helped in keeping our students healthy and hale at home. The Physical education classes conducted online were based on the topics of health education, physical education, first aid, nutrition and also about different types of games, their rules and the equipment used for these games along with a video presentation. Zumba and free hand practical and theory classes were given signifying the importance of these exercises in our daily life. In connection with National Sports Day, quiz and logo competitions were conducted for students. Our students participated in Stay Fit online quiz competition conducted by KOA and secured prizes too. Our school

assured maximum number of participation in 'Fit India Freedom Run' conducted by Ministry of Youth Affairs and Sports.
